GENEALOGY AT YORK CEMETERY

The genealogy office is in the cemetery gatehouse, just before the main cemetery gates. We are open for in-person enquiries every Friday (except bank holidays) from 9.30am to 3.30pm.

There is no need to make an appointment – just turn up. We're a friendly, helpful and knowledgeable team. Time allowing, we often go beyond the call of duty to help visitors with their enquiries. Having access to the internet allows us to look at other records, such as registered births, deaths and marriage records and the censuses, which means that we can now go a little further to help visitors.

When the office is closed or if you live some distance away you can contact us as follows:
